

## **LCTA Negotiations Report - February 3, 2017**

On February 3, 2017, LCTA met with the District from 9:30am to 3:00pm to open negotiations on contract language concerning salary, health and welfare benefits, and calendar, and MOUs regarding collaboration and online grading. Both teams arrived at a tentative agreement on the 2018-19 and the 2019-20 calendars. Further study and discussion are needed on 7-12 online grading policies and collaboration; teams left with homework to complete prior to the next session. The District presented an overview of the first interim budget in anticipation of opening discussion on salary and benefits. Our next negotiations sessions are set for March 13 and 14 from 9:00am-2:00pm.
