

## **LCTA Negotiations Report - May 4, 2017**

On May 4, 2017, LCTA met with the District from 10:00 am to 2:00 pm to continue negotiations on late start scheduling, extra duty extra pay, and salary. LCTA countered the District's proposal with a schedule that would start every school day at 8:30am, ends the school day by 3:12pm, and satisfies instructional minutes requirements. LCTA and the District next discussed recommendations from the joint subcommittee on extra duty extra pay. Based upon these recommendations, LCTA offered a proposal for a two-year salary increase of 5%. LCTA awaits counter proposals or agreements from the District on these two matters at our next session. Our next negotiations sessions are tentatively set for May 23 and 25 from 9:00 am - 3:00 pm.
